Sponsorship Opportunities

JUNIOR LEAGUE OF SACRAMENTO

Dear Sponsor,

On behalf of the Junior League of Sacramento (JLS), we invite you to positively impact Sacramento by participating in the JLS 75th Anniversary Gala fundraiser on Saturday, April 7, 2018, at the Croatian-American Cultural Center located at 3730 Auburn Boulevard in Sacramento. Please visit our website for more details at www.jlsac.org.

Founded in 1942, JLS is a non-profit organization of women committed to promoting voluntarism, developing the potential of women, and improving the community through the effective action and leadership of trained volunteers. Our vision is to continue to enhance the well-being and future of the Sacramento community through the dedicated and organized action of trained volunteers.

Throughout our history, we have made many lasting, impactful contributions to the greater Sacramento community. We co-founded several local organizations including the Children's Receiving Home of Sacramento, Powerhouse Science Center – Discovery Campus, Sacramento Crisis Nursery, Impact Foundry, the Sacramento Region Community Foundation and the Sacramento Children's Museum.

Our programs serve the greater Sacramento area and include state and local policy advocacy, Kids in the Kitchen events, Done-in-a-Day projects and Read & Feed Gardens. From 2012-2014, we have partnered with the Sacramento Public Library Foundation to establish two Read & Feed Teaching and Demonstration Gardens, which focus on educating families on healthy food options and nutrition. In 2014, we selected a third garden as our partner, the Oak Park Sol Community Garden, to serve Sacramento's historic Oak Park neighborhood.

After careful deliberation in 2016, our focus area shifted to Empowering Girls. We are working in partnership with the Sacramento Food Bank & Family Services, Girl Scouts Heart of Central California, Powerhouse Science Center, state and local policy makers, and other community organizations to develop programming centered on Science, Technology, Engineering and Math (STEM) education, self-esteem building, anti-bullying, and other issues confronting young women today.

The 75th Anniversary Gala will be our largest fundraiser of the year. With your support, the funds raised will establish sustainable programs for the Sacramento community and support our broader mission to promote voluntarism and provide the community with trained volunteers.

It is sponsors like you who make a difference in Sacramento. We ask for your support in joining us to continue making a difference in our community by kindly filling out the attached sponsorship form. Please contact us for more information or other ways to be involved.

Thank you in advance for your support in making a valuable difference in our community!

Kind regards,

Sandra L. Peterson
